Sir,

In reply to your docket-
No. 46 of the 12th ultimo, calling for
a report about the prayer of
the Haricharpur people for the
restoration of the Sameshwara
temple at Haricharpur (Subject-
No. 30 brought up at the Dasara
Representative Assembly held
in October 1892), I have the
honor to state that on 17

December 1892 the Koppa Smitthar reported that the front-montage of the main building, and the Annamavara Devastana required urgent repairs and that the Chendrasalas (out-houses) which have collapsed should be rebuilt with good timber and Mangalore tiles, at a cost of Rs 500/- and that the disciples of the temple would subscribe Rs 100/- towards the work.

The Smitthar thereupon was asked to consider about the advisability of undertaking such heavy repairs at the instance of the bare promise of villagers to subscribe some amount and he was directed to report after consulting the parties concerned.

if it would not be advisable to execute the urgent repairs only.

The Amildar then tried to secure the presence of the parties to consult on the matter, but failed to get them up in spite of his repeated calls. This disregard on the part of these men was considered as sufficient proof of their indifferent interest and the matter dropped.

On receipt of your docket under reply, however, I again sent an order to the Amildar to send for the people and to submit their views with his report.

A very few men who turned up to the notice issued by the Amildar have repeated their promise to contribute, but as I cannot trust to these promises alone, I have instructed the Amildar to tell the people

that the repairs of the main buildings (the Amildar having reported that the restoration of Chandra Salas is not very necessary for the present) will be undertaken on their producing the promised contributions before the Amildar.

The cost of repairing the main buildings is estimated at Rs 1500/- and in case the people come forward with their contributions amounting to Rs 1000/-, I shall submit the estimate for sanction, when arrangements may be made to meet the difference, viz Rs 500/-, from the Inzagari surplus funds.

I have the honor to be,

The Amildar to whom orders were again recently issued, reports, that none of the devotees would pay the Contribution in cash, but that one Muggimalki Mal.leshiah, one of the principal devotees agrees to undertake the repairs provided the Government would sanction Rs 700/- in cash in addition to granting free of Segniorage 30 Cart loads of Timber.
